Show Some Love

Southeastern Michigan Combined Federal Campaign

The Combined Federal Campaign (CFC) is the workplace fundraising campaign for all federal employees.

Military Postal Civilian

The CFC is your opportunity to give to the charity or charities of your choice.

Why should I give through the CFC?

The CFC provides each donor Choice, Convenience, Confidence and Care in charitable giving.

Choice

You choose which charities receive your gift. You choose how much you want to give and how you want to give; by cash, check, credit card or payroll deduction.

Convenience

Giving via payroll deduction allows you to spread your gift over the course of a year, allowing you to give more generously.

Confidence

The CFC is a safe and proven program. It's been around for more than 50 years. All charities which participate in the CFC are screened by federal employees using the same objective criteria.

Care

Your gift improves the quality of life for you and your neighbors in Southeastern Michigan, across the country and around the world.

Through Your Generous Support....

\$510,846

Department of Defense and Veteran's Administration employees in the Southeastern Michigan area contributed more than \$510,000 to charitable organizations in 2015.

\$1,751,397

Federal employees in the Southeastern Michigan area contributed more than \$1.7 million to charitable organizations in 2015!

Joseph's Journey

The summer of 2015 arrived with the shattering news that our son Joseph, just 13 years old, had been diagnosed with a rare form of cancer. Joseph's doctors referred us to St. Jude Children's Research Hospital. As is their practice, St. Jude provided transportation, lodging and meals, at no cost to our family, while the week-long evaluation of Joseph's condition took place. Extensive medical evaluations, tests and consultations were also provided without charge. The St. Jude staff was passionate and knowledgeable about Joseph's illness.

While at St. Jude, we were able to meet and talk with other families sharing our experience. Their compassion and support helped us realize we were not alone!

As Joseph's form of cancer is quite rare, St. Jude staff searched out all available treatment options, identifying a clinical trial that is now providing his treatment.

St. Jude Children's Research Hospital offered our family hope and healing through this most difficult time!
